

PRMS In-Person Risk Management Education Programs

PRMS presents risk management educational sessions in various formats that educate residents and practicing psychiatrists on the malpractice risks they may face. Our extensive knowledge in managing psychiatric risk is a result of over 30 years of specialty-specific protection, making us a leader in proactive risk management for psychiatrists.

TOPICS INCLUDE:

- **Telepsychiatry**
- **Treatment of patients with suicidal behaviors**
- **Psychopharmacology**
- **Social media**
- **EHRs**
- **And more!**

PRMS can present its programs to your Department of Psychiatry as a Grand Rounds, or to residents and fellows in one of our highly regarded PREP® sessions (PRMS Residents' Education Program).

FACULTY

- **Donna Vanderpool**, MBA, JD: Director, Risk Management, PRMS
- **David Cash**, JD, LLM: Associate Director, Risk Management, PRMS
- **Ann McNary**, JD: Senior Risk Manager, PRMS
- **Justin Pope**, JD: Associate Risk Manager, PRMS

For more information or to schedule a session, contact Donna Vanderpool at Vanderpool@prms.com.

PRMS is accredited, with commendation, by the ACCME to provide CME.

ABOUT PRMS

Professional Risk Management Services® (PRMS) manages The Psychiatrists' Program®, the professional liability insurance program for psychiatrists. Because of our dedication to psychiatry, we are experts in understanding and managing risk, handling psychiatric claims and developing specialized policies to protect our clients. We have provided these well-received educational programs throughout the country for over 15 years, often being asked back yearly by RTDs and trainees.

PRMS is not a commercial interest.

Risk Management Resources for Training Directors and Residents

PRMS is pleased to make various risk management resources available for use in residency training programs at no charge. This is a limited list of our resources available to residents and training directors. Contact us for more information.

ON-DEMAND MOCK TRIAL

Our acclaimed Mock Trial is now online, so your residents can learn more about suicide risk assessment and the litigation process.

To request access to training materials, email Vanderpool@prms.com referencing the Mock Trial Resource.

PREP® (PRMS' PSYCHIATRIC RESIDENTS' EDUCATION PROGRAM) & GRAND ROUNDS

See reverse side for more information about our in-person educational programs on a wide variety of relevant and vital topics.

Our new online education and risk management portal where residents can access on-demand courses, state-specific resources, risk management newsletters and articles, and more.

To request access to PRMS U, email Vanderpool@prms.com referencing PRMS U.

ADVENTURES IN PSYCHIATRIC RISK MANAGEMENT: A 60+ YEAR PERSPECTIVE

Join three risk managers with more than 60 years combined experience in providing psychiatric-specific risk management advice. The speakers have seen it all and want to share lessons learned and other tips for practicing psychiatrists to increase patient safety and reduce their professional liability. Topics to be covered include administrative actions, treating patients with suicidal behaviors, psychopharmacology, technology, and more! There will be extensive time for attendees' questions. Visit PRMS.com/Seminars for more information and to register. Residents, Fellows, and RTDs can attend free of charge!

TELEPSYCHIATRY RESOURCES

Online course on the topic of telepsychiatry that covers legal and clinical basics available to trainees on PRMS U.
